CT2540 Overview

- Get power and comfort with the CT2540 compact tractor's 38-hp engine and fully enclosed cab for working on hot summer days and in harsh, cold weather.
- From moving snow to planting a food plot or digging holes for trees and fences, this tractor can get more done with its Category 1 three-point hitch for use with a variety of implements.
- The easy-to-use, responsive 3-Range hydrostatic transmission means you'll spend less time moving from one point to another, because every second counts when you have work to get done.
- Make light work of front-end loader tasks with the integrated loader joystick lever.
- The CT2540 comes standard with rear PTO, with optional mid-PTO.
- Engage the standard four-wheel drive when you need extra, hard-working traction, but still require the maneuverability for working in tight areas.

*The prices advertised are suggested resale prices that Bobcat recommends to dealers for purposes of trying to ensure that Bobcat's products are price-competitive and that dealers have the proper incentives to market and service the products in accordance with Bobcat's brand standards. Bobcat reserves the right to change suggested resale prices, product specifications, and options at any time. The final sales price is determined independently by the selling dealer in its sole discretion. Pricing is country specific. Bobcat's suggested list prices are for products sold in the US only.

*Offer ends 12/31/2023. Available at participating and eligible dealers only. Offer may vary by product type, series, model and select units in dealer's current inventory. Must take delivery from dealer stock by 12/31/2023. Offers available on new equipment in US and Canada only. Some restrictions apply. Length of contract and rate may vary. Monthly payment subject to change. Prior purchases not eligible. See dealer for details. Financing provided on approval of credit by authorized Bobcat finance providers to well-qualified buyers. All finance programs and rates are subject to final approval by the applicable Bobcat finance provider and are subject to change at any time without notice. Administrative fees may apply. Offer not available to government accounts, national accounts and municipal/utility bid customers. Bobcat Company reserves the right to extend or discontinue any of these programs at any time without prior notice.

WARNING: This product can expose you to chemicals including engine exhaust (including diesel engine exhaust when equipped), lead and lead compounds, mineral oils, soots, phthalates, and carbon monoxide which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Certain specification(s) are based on engineering calculations and are not actual measurements. Specification(s) are provided for comparison purposes only and are subject to change without notice. Specification(s) for your individual equipment will vary based on normal variations in design, manufacturing, operating conditions, and other factors.
