CT4045 Overview

- Get a lot of horsepower at an affordable price with the Bobcat CT4045 45-hp compact tractor. Turbo-charged for consistently high performance and impressive low-end torque even in high altitudes, this fast and powerful tractor features a Category 1 three-point hitch for heavy-duty attachment and implement work.
- Easily get on or off the tractor to change attachments and check on projects with the open workstation with Roll-Over Protective Structure.
- The linked pedal lever option on the hydrostatic transmission model gives the operator the feel of driving a car, by increasing rpm as you engage the travel pedal.
- Hydrostatic or manual synchro shuttle transmission give you the versatility to work the way you want. And standard four-wheel drive provides the hard-working traction you need for extra tough jobs.
- Rear PTO comes standard, with optional mid-PTO on hydrostatic transmission models.
- The strong and versatile CT4045 makes light work of hauling heavy landscaping materials or livestock feed, clearing paths, mowing your property and digging holes for fences or trees.
