CT1025 Overview

- Get added horsepower for operating a variety of attachments and implements – without sacrificing the compact size and maneuverability to mow and complete light-duty projects on your property.
- Mid-PTO provides the option of combining two tools on one machine – one in the back and either one in the front or a mid-mount mower.
- Do more with one machine. The rear PTO and Limited Category 1 three-point hitch allow the versatility to use both drag-behind and PTO-powered implements.
- Engage four-wheel drive for hard-working traction when your work demands it.

*The prices advertised are suggested resale prices that Bobcat recommends to dealers for purposes of trying to ensure that Bobcat's products are price-competitive and that dealers have the proper incentives to market and service the products in accordance with Bobcat's brand standards. Bobcat reserves the right to change suggested resale prices, product specifications, and options at any time. The final sales price is determined independently by the selling dealer in its sole discretion. Pricing is country specific. Bobcat's suggested list prices are for products sold in the US only.

*Offer ends 12/31/2023. Available at participating and eligible dealers only. Offer may vary by product type, series, model and select units in dealer's current inventory. Must take delivery from dealer stock by 12/31/2023. Offers available on new equipment in US and Canada only. Some restrictions apply. Length of contract and rate may vary. Monthly payment subject to change. Prior purchases not eligible. See dealer for details. Financing provided on approval of credit by authorized Bobcat finance providers to well-qualified buyers. All finance programs and rates are subject to final approval by the applicable Bobcat finance provider and are subject to change at any time without notice. Administrative fees may apply. Offer not available to government accounts, national accounts and municipal/utility bid customers. Bobcat Company reserves the right to extend or discontinue any of these programs at any time without prior notice.

WARNING: This product can expose you to chemicals including engine exhaust (including diesel engine exhaust when equipped), lead and lead compounds, mineral oils, soots, phthalates, and carbon monoxide which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Certain specification(s) are based on engineering calculations and are not actual measurements. Specification(s) are provided for comparison purposes only and are subject to change without notice. Specification(s) for your individual equipment will vary based on normal variations in design, manufacturing, operating conditions, and other factors.
